

NATRUE pricing Performance - 2025

Documentary validations

Certified finished products

Your client relationship officer checks the compliance of your ingredients, formulas, packaging items and labels according to the standard's specifications for new products declared on your online customer account.

New product validation package	Cost excl. VAT* (in euros)
New product (distribution)	90 €
New product (manufacturing)	130 €
New product (manufacturing and distribution)	220 €

Certified raw materials

Verification by your customer relations manager that your raw materials comply with the specifications for new raw materials that you declare on your customer portal.

New product validation package	Cost excl. VAT* (in euros)
New product (distribution)	45 €
New product (manufacturing)	65 €
New product (manufacturing and distribution)	110 €

Audit

Your auditor carries out an audit to ensure your system, practices and products comply with the standard's requirements: €1,840 excl. VAT/day (including travel costs, except for sites outside Belgium).

Certification

Fixed price depending on the number of products and the type of company.

This fee includes: analysis of audit report reviews and certification decisions by your relationship officer project follow-up and personalized monitoring of non-compliance - issuing certificates - support on expert questions on certifications and any national and international regulation updates.

*Prices per product. All prices are exclusive of VAT.

If you are already certified for a Cosmetics and Home Care certification programme, please contact us for a personalised quote.

Audit postponement or cancellation terms and conditions

In the event the Client requests to postpone or cancel the audit date agreed upon by the Parties, the non-refundable mission fees will be invoiced to the Client on the basis of receipts and a fixed penalty rate will be invoiced according to the following conditions:

- Cancellation less than 15 calendar days prior to the scheduled date: 20% of the annual fees related to the scheduled audit.
- Cancellation less than 7 calendar days prior to the scheduled date: 50% of the annual fees related to the scheduled audit.
- Cancellation less than 2 calendar days prior to the scheduled date: 100% of the annual fees related to the scheduled audit.

This penalty will be applied according to the reason for the cancellation request and proof provided by the Client.
