### Other information

**Approvals and renewals issued are valid until the end of the current calendar year (31/12/2025).**

**They include technical validation of the raw material, issuing the certificate and monitoring the file.**

Renewal fees apply the years following the first year of registration for each raw material approval. Furthermore, any assessed raw material will be subject to invoicing whatever the outcome.

<sup>(1)</sup> Prices do not include NATRUE fees, which are invoiced every 2 years directly by the NATRUE association.

NATRUE fee applicable from 01/01/2025: 80 euros per raw material for 2 years.

All costs shown include Group technical support and accreditation costs. *All our prices are exclusive of VAT and in Euros.*
